Dinosaur
From LEAP

Music and Lyrics by
Zach Spound

Cue: "I don't know. Up to you. Just go."

Ben:
What's your favorite dinosaur?

No, I mean is it one that roars?
Or is it silent like a...?
big pterodactyl in the sky, that's a fact you'll learn from Wikipedia. Do you want another beer?

I'll grab one for you at the bar over here. Is that a Stella or a craft Hefeweizen blonde, a draft I found out about on social media. Look around at every

soc ial me di a.
body in this city, they all think they're so interesting and pretty, but don't have any doubts or fears 'cause you are both! So, cheers.

Hey, I really like your

Under dialogue

Compliment. Go. Now.

shirt. See that's the only way that I can flirt. I'm really clever but it

Pno.

Vox. 1

never seems to function and I lose all the gumption to say

Pno.

what I really think when I'm confronted with a girl at a bar, it's a place, here we are, and I'm
drinking so I think I'm thinking like a movie star, and I'm

trying to convince you just to walk into my bed just by

speaking from my heart, though I'm really in my head, I'm kind of
strange, I know, it's true-ish, may be I'm this way be cause I'm Jewish, but I'm not the

kind who wants to wine or to dine or fine, fuck it, will you have sex with me?

Cue: "Onward, lusty gentleman!"

Julie:

How 'bout a pea nut?

46

No. They're mine.

You want a pea nut?

46

Oh. K fine.

That's

what like? I'm not a bitch! No I'm not!

To be a little bitch? Yes you are. Well you
want ed to say some thing but you woul dn't take a shot

I see that a lot.

But!

What's your favo rite di no

You're a bore.
saur? I don't know. It's a way to start a conversation.

What's yours? Why'd you ask?

I don't know. It's a way to start a conversation.

What an extraordinary observation! What about?
out me says that I'm even the slightest bit remotely interested in dinosaurs?

You're ferocious. This is dumb! We're just talking about talking! And it's

That's at ro cious. We're so dumb! Like we really always know just what to
not like I'm rude ly int err up ting you or something but it's rare to have a fas cin at ing talk ab out nothing, I'm a
say, we're not with ty. What a pit y. No! Communic a ting's now a thing we do al

tool, you seem cool, ev enever you're blin d ly raging in a sen se, wait, no of fense, al though you've thoroughly en gag ing and

one in the ci ty be cause we al ways have our heads in the clouds and by clouds I mean phones.
I'm glad you feel that way, see, I've been told I come off crazy.

I'm not even know me, but now I know you.

Which isn't accurate 'cause most guys don't react to wit. You're
I hear the moment knocking. Got ta wait 'til we stop talking at
on the cusp of bursting, so one of us will have to shut up first thing, or we could stop at
the same time.

Got ta wait 'til we stop talking at the same time.
Dinosaur

Cue: "Yeah. It's a Monday. Slower.

Cue: "I'm Ben."

Cue: "La-di-da. La-di-da."

Cue: "Wait."
Cue: "And when I get nervous I tend to-

Pno.

What's my favorite dinosaur?

Cue: "That'd be a nice start."

Ben:

Freely

saur?

Hard to say 'cause they're not here any more. It would be one with out
doubts, without fears. May be that's how they lasted millions of years. And wouldn't need to wait for a response and not afraid to go get what he wants before he disappears. Then it's true. My favorite dinosaur is you.
