JAMIE
You really believe that?

_The tent topples over. Lindsay lets out a very frustrated scream._

JAMIE
We can fix this. Easy. One step at a time.

_Jamie shoos Lindsay away from the tent. She takes a seat at the campfire. Jamie fixes the tent._

JAMIE
You dropped out of school and still found a job—one that makes you happy and I’m sure will make a lot of other people happy. You were scammed into an apartment, but you made it work. You didn’t think you could do this camping trip, but here you are! Proving everyone wrong.

LINDSAY
...Thanks.

JAMIE
Anytime.

_Jamie finishes fixing the tent._

LINDSAY
You and Sam come out here often?

JAMIE
Not as much as we used to.

LINDSAY
Why?

JAMIE
...We keep...missing each other.

LINDSAY
Sam’s told me all about your adventures up here. My favorite’s the one with the canoe. He rocked it--
JAMIE
And I fell out? Yeah. Wasn’t his biggest fan that day.

HERE

JAMIE

RIGHT HERE
IS WHERE WE SAT COUNTING EVERY
CONSTELLATION IN THE SKY
AND RIGHT THERE
WE SAW A LUNAR ECLIPSE
AND SAM WAS SO EXCITED HE CRIED

Jamie laughs.

THESE MOUNTAINS
THE TREES AND THE COASTLINE
THEY RAISED US, TAUGHT US TO GROW
THOSE SLEEPING BAGS, THE TENT AND THAT
LANTERN
LIT UP THE WORLD FOR US
OH-OH-OH

HERE
IS WHERE WE WOULD COME
TO FEEL LIKE OURSELVES AGAIN

HERE
OUR HOME AWAY FROM HOME
AND WHERE WE BECAME BEST FRIENDS

WATCHING THE NORTHERN LIGHTS
GETTING HORRIBLE BUG BITES
THIS PLACE HELPED US FIND OUR WAY
AND NOW, HERE WITH YOU, I CAN SEE IT
I THINK YOU’RE GONNA BE OKAY

LINDSAY
It really is so beautiful out here.
JAMIE
You hungry yet? I brought some stuff we can whip up real quick--

LINDSAY
Way ahead of you.

*Lindsay pulls out some Chinese takeout from her bag. She eats. Jamie stares.*

LINDSAY
What?

JAMIE
Just a bit...unorthodox.

LINDSAY
It’s Chinese.

JAMIE
Usually people make a fire. Roast hot dogs and marshmallows...

LINDSAY
What can I say? I’m unconventional.

JAMIE
You wouldn’t happen to have any Beijing Beef?

LINDSAY
Do I!

*Lindsay holds out one of her Chinese takeout boxes to Jamie. Jamie takes a few bites and stands up from the campfire. He walks around the campsite.*
JAMIE

RIGHT OVER THERE
I SPRAINED MY ANKLE AND SAM GOT BUG SPRAY
IN HIS MOUTH
HE SAID HE WAS TRYING
TO SHOW ME A TRICK
BUT IN HIS WORDS, “IT ALL WENT SOUTH”

Jamie laughs.

THIS IS WHERE SAM PEED HIS PANTS CUZ

AND I’M SURE IT WAS A DEER

AND THIS IS WHERE HE TOLD ME HOW MALLORY DIED
WE HAVEN’T GONE BACK TO THIS SPOT IN THREE WHOLE YEARS

THESE MOUNTAINS, THE TREES AND THE COASTLINE
THEY RAISED US, TAUGHT US TO GROW
THOSE SLEEPING BAGS, THE TENT, AND THAT LANTERN
LIT UP THE WORLD FOR US
OH-OH-OH

HERE
IS WHERE WE WOULD COME
TO FEEL LIKE OURSELVES AGAIN

HERE
OUR HOME AWAY FROM HOME
AND WHERE WE BECAME BEST FRIENDS

WATCHING THE NORTHERN LIGHTS
GETTING HORRIBLE BUG BITES
THIS PLACE HELPED US FIND OUR WAY
AND NOW, HERE WITH YOU, I CAN SEE IT
YOU’RE GONNA BE OKAY
LINDSAY

I NEVER COULD HAVE IMAGINED HOW ALIKE WE REALLY ARE
I KNOW, I JUST KNOW, WE WERE ALL MEANT TO MEET
MUST’VE BEEN...WRITTEN IN THE STARS

JAMIE AND LINDSAY

HERE

LINDSAY

IS WHERE WE CAN GO

JAMIE AND LINDSAY

TO FEEL LIKE OURSELVES AGAIN
HERE
OUR HOME AWAY FROM HOME

JAMIE
(self-conscious laughter)

AND WHERE I THINK WE BECAME BETTER FRIENDS

LINDSAY

IN SHARED SOLITUDE

JAMIE

AND CHINESE FOOD

LINDSAY

THIS PLACE HELPED US FIND OUR WAY

JAMIE

AND NOW
LINDSAY

HERE WITH YOU

JAMIE AND LINDSAY

I CAN SEE IT
FOR NOW, THE WORLD SEEMS OKAY

*OCD is in the tent, spraying bug spray. Depression sits with Jamie and Lindsay.*

LINDSAY

Do you like being a therapist?

JAMIE

No one’s ever asked me that before. *(beat)* I don’t know. It can be...hard sometimes. It weighs on you, every once in a while. But...overall, I’d say worth it.

LINDSAY

Do you really help people?

*Jamie looks over at Depression.*

JAMIE

The best I can.

DEPRESSION

Keep telling yourself that.

LINDSAY

Can I...tell you a secret?

JAMIE

Sure.

OCD

We’re all clear in here! Not a single mosquito in sight!

LINDSAY

I mean, you probably already guessed.
