JAMIE:

Right over there I sprained my ankle and Sam got bug spray in his mouth. He said he was trying to show me a trick, but in his words, "It all went south." This is where Sam peed his pants.
JAMIE: He claimed he saw a bear. And I'm sure it was a deer. And

this is where he told me how Mal-lory had died, we haven't gone back to this spot in three years. These mountains, the trees and the coastline. They raised us, taught us to grow. Those sleeping bags, the tent and that land.
