JAMIE:

Outside the world spins on its way.
Outside a perfect storm is underway.

I can’t let them really see.
See me for who I am.
What if they didn’t like it.
I can’t let that happen.

My next stop is wherever they need me.
It’s a pretty tough world. Can someone stand close to me.

Take a breath in tight, get a hold. You're all right. The city is waiting for you to keep it strong. Tonight.

Inside I know that none of this is right. Inside traps all the lonely of the night.

Sam is there, he's always there. Always there and never here. First my patients, now my best friend. I watch the days turn into years.
I can't let them really see. See me for who I am. What if they didn't like it. I can't let that happen._Gadd9_ G/F# Gmaj7/F# D7/F# Em7_ Csus2 Cm6 Cm6/D

My next stop is scaring me. It's a pretty tough world. Can anyone stay close to me.

Take a breath, tight, get a hold, you're all right. The city is waiting for you to keep it strong. You have people waiting for you to stay alive. Your patients are waiting I mean, who's really waiting?

Lindsay? Sam? Are you waiting? Now this, this is humiliating. Everyone's waiting on me.
I can't let them really see. See me. What if they didn't like it.

What if they didn't like it.

What if they didn't like it.

See me...

What if they didn't like it.
