Who is that man?

Who can he be?

You might say I give a damn for he looks somewhat like me...

You may think that you know me but the

Those who would mythologize my history?

Past all the legends, past all the lies,

Out...

Say without a doubt I had secrets of my own that I never wanted to come...
And who agree I'm not the man who's me...
Now I want you to know the truth though no one ever does! Who is the Will, who is the Will who was?
Give us the Will,
give us the Will, give us the Will who was!
