I'd be more than happy to do as a heronaut does. 

If I'm chosen to live a life of glory and fame.

That's enough of a buzz! to get me going so let's get going.
A mission to see what Earth is like I mean for real not in our books.

I've heard the smell you cannot bear unless you stay away from the crowds.

The trees there are kind of like the ones here, well not in age but more in looks.
