Thanks for leaving me this way, the

Accusing, faster \( \frac{82}{\text{f}} \)

gaping wounds, too big to scarring hollow every day

Who gave you the right, to give up on us and go...

Make them understand what this tradition means to me

That would be enough

Count all the candles and light them, and place them just right

Simply, Più meno

Count every one as we light them, so gently each night
