Come with me across the sea
Sail away from
all our fears
we'll be together
we'll be forever just

you and me
I was a
lost boy you found me on your shore

We'll be together We'll be forever you and
32

Come with me a-cross see,

I was a lost boy you

35

Sail a-way from all our fears,

found me on your shore

We'll be to-gether
