Unwind the Turban

Music by Zev Burrows
Lyrics by Mark Chimsky

Passionately \( \frac{1}{4} = 60 \)

Fadd9

(WILL loosens the top end of the turban)

Unwind the turban gently and slowly; what

known   Peel back the layers   as we both disco-ver

lo-ver to lo-ver   no lon-ger a-lone!

Peel back the layers as we both discover lore to lover no longer alone!
Unwind the Turban

No masks in sight now by this candle light now; I see your face smiling at me.

We're safe out of view here, just me and...
Smash the walls that we once built: the pride, all of the things that might keep me from you except and the blind guilt.

you here; your eyes are all that I see!

Smash the walls that we once built:

planned.

planned.

Un - til the mor - ning

just

until the morning

No way to know the road that fate has

gently and slowly;

gently and slowly;

No way to know the road that fate has

gently and slowly;

No way to know the road that fate has

gently and slowly;

no way to know the road that fate has

gently and slowly;

no way to know the road that fate has

gently and slowly;

no way to know the road that fate has

gently and slowly;
let me be near you; to hold you and hear you, my life's in your hand!

(Lights up on ROBERT CECIL in his study.)
