MISSING

[Yale Production Draft]

Cue: CODY: She's crazy!
RILEY: Who are you? Where are you from? I want to...I just want to ask you...

RILEY:

Us? Crazy? All this time the world outside has been

calling us bonkers for hoarding supplies and living in bunkers so nobody dies like that's

something they find some surprise in do they know what's on the horizon? They think
prepping is moronic ride with ignorance a waste of life just wait until they meet their demise in

R: They'll see the enterprise in a new light!

accel.
You could say our way of life

is stern though essential for staying alive

but is it sort of demented that we learn to

shoot to kill at the age of five? Does society look at us and scoff just 'cause they've
never met us before? Or is there objectively something about

D - I - Y - ing our own C - 4? Because, Riley, maybe it's the

government mind control but your life is not without its
toll If it's de-reanged to subsist on trapping and gutting

rabbits call me queen of the loons never learned another language but at

least I'm fluent with harpoons and if it's nuts to perform some reckless task that
still has n't killed me some how
then it feels ta boo_ but I got ta ask: where the
