(As the Chorus Grows Louder) Impeach Him!!!

From Act 2 of the rock opera/musical “You’re Fired”
Music and Lyrics by John M. Waller

Nancy Pelosi, bowing to the weight of the public evidence and the growing demands from her caucus accedes to the demands to begin an impeachment inquiry

In Two Thousand and Eighteen the country chose nice 😊 over mean 😞
In fact, it wasn’t even a squeaker
We won forty of their seats Trump’s favs went down to defeat
And now again I’m Madam Speaker
Takes the gavel and is surrounded by her Democratic house members

First order of business... Chorus Impeach him!
Ethics reform Well, ok...
Second order of business... As the chorus grows louder Impeach him!!
The Green New Deal Well, ok...
Next order of business... As the chorus grows louder Impeach him!!!
No not yet, the country’s not ready
No matter what you say, we’re doing things MY way!

We have to wait for Mueller To see the picture fuller
Now is not the time for us to act
We only get one shot we can’t go with what we’ve got
We have to move strategically with tact

You’ll see, I can reach him No, impeach him!
His ill-manners, I can teach him No, impeach him!!
He likes me, I’ll beseech him No, impeach him!!!
No matter what you say we’re doing things MY way!

On the matter of obstruction don’t fall for the seduction
We can’t make him a political martyr
The emoluments clause that doesn’t give anyone pause
The country doesn’t want it to go any farther

You’ll see, I still can reach him Impeach him!
He’s a brute, but I can teach him Impeach him!!
He’s afraid of me, I’ll beseech him Impeach him!!!
No matter what you say we’re doing things MY way!

News breaks about a whistleblower, Trump admits to asking Ukraine to dig dirt on Biden
This time he’s gone too far the facts being what they are
This Ukrainian affair is Collusion Part Two
I tried to hold them back but now I’ll allow their attack
There’s really nothing else I can do
She is surrounded by her caucus, who grow more animated with each pronouncement

For betrayal of his oath of office Impeach him!
For betrayal of our national security Impeach him!!
For betrayal of the constitution Impeach him!!!
I’ve heard all you say we start the impeachment process today!

Spoken over the music: Therefore today, I’m announcing the House of Representatives is moving forward with an official impeachment inquiry. I am directing our six committees to proceed with their investigations under that umbrella of impeachment inquiry.

In two thousand and twenty will America agree with me
Turn on him, and reject him
For the Senate won’t convict and an election is hard to predict
Will this impeachment lead to his re-election?
Will this impeachment lead to his re-election?

Ends with an unconfident expression, hands in the air and shrug of the shoulders
Will this impeachment lead to Trump’s re-election?
