put myself on my feet

What use is a legend? A song and a beat?  I know only I can

put my self on my feet

Louder little by little

If a slogan won't do, I'll work more methodically

16th-note groove
I'm sure these machines are a false economy. I'll draw up a plan and I'll make a proposal.

Check all the angles and beat the mogul. Scout his workers and see his reaction. Seeds will see there's no sense to his actions.
Mister Seeds, Mister Seeds, why did you plant that suffering in me?

Mister Seeds, Mister Seeds, why did you plant that suffering in me?

Power ballad groove

Fills on beats 4 and 5
It's gonna be a new day, you'll see.

Vamp until lights up on next scene.

Solo

Lights up
